Focused Content Delivers a Focused Audience of Buyers

Unlike general technology sites, Data Center Knowledge focuses on enterprise class data center issues and technologies. This results in a targeted audience of volume buyers interested in your data center solutions.

Rich Miller, Editor in Chief

Rich has been a technology journalist for 26 years and has written extensively on data center trends since 2000. Rich is a regular source for media covering technology, and quoted in *The NY Times*, *Wired*, *The Washington Post*, *CNN*, *MSNBC*, *Computerworld*, *Wall Street Journal* and *The Financial Times*. Rich has been called "One of the 10 Most Influential People in the Data Center Industry".
